

## CATHOLIC APOSTOLIC CHURCH

---

March 1964

The Underdeacons regret to announce that on account of indisposition, it has been decided to suspend the Meetings hitherto held in the Council room on the first Sunday evening of each month during the summer.

Members will therefore please note that the Meeting arranged to be held on Sunday evening 5th April will not now take place.

The Underdeacons hope, as far as possible to send out to members a few more printed ministries than at present.
